

# PROPERTY BUYOUT PATH

Under the Hurricane Milton Homeowner Recovery Program

## Did your home flood during the recent hurricane?

*You may be eligible for assistance!*

The Voluntary Buyout Option is one recovery path available under the Hurricane Milton Homeowner Recovery Program. This option helps eligible homeowners relocate safely from vulnerable areas by offering a fair purchase of their property, based on its pre-storm value.

### Key Facts:

**Must be in the 100-year flood plain**

**Must meet low to moderate income limits**

**Based on pre-disaster appraisal**

**No cost to you**

*Note: Participation in the buyout program depends on the local government's agreement to follow U.S. Department of Housing and Urban Development (HUD) rules, including preserving the property as open space.*
